After you punch control point number seven in elite class or number five in A class you go back on the path with the stairs. This is the only path with the stairs you are allowed to use. Other paths on the map with the stairs are forbidden. You can see on the map obligatory crossing point at that path.

Paralympic category will use other path which is longer so the time limit for paralympic category will be increased as it is stated above..

Winning ceremony will be between 17:00 and 17:30 h. Prizes will be given for top 3 results in all categories calculated morning and afternoon event together.

We wish you a nice day! Between the events you can have lunch in the restaurant on the entrance of the park (south of competition area). From park Maksimir to the Dotrščina area you need 5-10 minutes with the car.
